Good afternoon,

1. File receipt date 7/24/01 was not properly closed in the tracking system. The closed date was 8/13/04 with exemptions (b)(2) and (b)(7)(C). I have closed it out accordingly.
2. File receipt date 12/19/06 is in the process of being reviewed by code 22. NCIS FOIA last action date was 06/02/08 - docs were sent to other agencies for classification reviews.
3. File receipt date 11/18/04 is in the process of being reviewed by code 25. NCIS FOIA last action date was 01/14/10 - docs were sent to other agencies for classification reviews.
4. File receipt date 10/22/06 and 11/9/06. NCIS FOIA last action date was 12/14/06 and 01/11/07 respectively. These requests pertain to the Jonathan Pollard investigation. The review of that file was/is being conducted by another office as it contains information I am not cleared to see.
5. We assume this is a technical error because we do not have file receipt date 5/26/04 in our possession. Also, NCIS has destroyed all F04 files per SECNAV instruction.

NCIS now has two subject matter experts fully trained in declassification and have been diligently working to clear the backlog.

Please let me know if you have further questions. Thank you.

V/R,
LT (b) (6)

The DON consolidated quarterly report has been submitted. It was noted that NCIS has cognizance over the agencies 10 oldest FOIA request.

Your assistance is needed to draft a brief explanation as to why 6 are still pending, list of restraints, and expected completion date, along with the noted last date of action, action taken, and POA for each request. Due 8/1/2013

If it's a resource issue, what resources are needed to expedite the remaining requests?

Thank you for your assistance.

Respectfully,

Robin Patterson

Thanks, Phyllis. We will prod the MC for their report. No questions right now other than those old FOIA requests awaiting declassification sure raise an eyebrow. Thought we were adding declass folks to get these off the books?

Steve
